

High School Golf Team Annual Membership

This seasonal membership of unlimited golf during unrestricted times is offered to local high school golf team members, both boys and girls, who desire to practice their skills during the off-season on a challenging course without the interference of public play.

A one-time Annual Membership Fee entitles high school aged golfers that participate on a high school sponsored golf team (proof of participation required), to full use of our practice range as well as unlimited golf (during unrestricted times), for five (5) months (May 1st through September). This membership has **NO** initiation fees, **NO** monthly dues, and **NO** food minimums. High School Golf Team members are also exempt from any assessments. Member Guest stipulations apply.

High School Golf Team members do not have to be accompanied by an adult. High School Golf members must observe all Moundbuilders Country Club's rules of behavior, dress code and golf etiquette. Golf play must be preregistered with the pro shop. Single high school players will yield play to larger groups.

High School Golf Team Members are permitted to bring one (1) guest. Member Guest stipulations apply.

High School Golf Team members are entitled to purchase food and beverages.
